

Tawiyan access

Coming from Abu Dhabi or Dubai, make a **U-Turn** on the E87 road to Dibba at:
25 deg 30' 52" North; 56 deg 04' 46" East, then turn first right in the direction of Tawiyan.

Drive for 5 km, traversing the town of Tawiyan, until reaching a **School** at :
25 deg 33' 39" North; 56 deg 04' 43" East. (Numerous humps and a couple of roundabouts.)

Go straight on (the black top becomes a dust track), cross a black top road and reach the main track that climbs in the North-northeast direction along the left bank of the wadi.

Proceed on this track for 3 km until reaching the **parking** at :
25 deg 34' 48" North; 56 deg 05' 50" East

Step across the rail guard, walk down to the wadi, the crag is to your right.
